Testimonials

iBoss has shown and continues to show a willingness to listen to our needs. Very thanks for everything. It is a wonderful team to work with.

– A CRM Client

The continuously changing requirements are incorporated within the given time frame. Even the last minute changes are taken care of. The development and delivery were as smooth as it never was with my past partners. Everything was very much above expectation.

- A leading provider of service plan solutions for retailers, telecommunications providers

Working with iBoss was an amazing experience. They really helped us work through problems in a way that allowed us to understand and learn more about getting the most out of the property management application. Response time was great and they really connect with their clients.
